About AGDC & IGM H

Agartala Government Dental College & IGM Hospital (AGDC) stands as a cornerstone in the realm of dental education. Since its establishment in 2022, this prestigious institution has gained recognition for its dedication to both community involvement and academic excellence. Currently offering undergraduate dentistry programmes, the college is located in the centre of Agartala, Tripura, and prepares future dentists to fulfil the changing healthcare requirements of the area and beyond.

Agartala Government Dental College & IGM Hospital is affiliated to Tripura University, with the approval of Dental Council of India/National Dental Commission. The state of art infrastructure and facilities in the institution ensures a conducive environment for learning.

Agartala Government Dental College comprises of all nine (09) dental speciality departments:

1. **Department of Oral Medicine and Radiology** - Excellence in the early detection and diagnosis of oral diseases through advanced imaging techniques.
2. **Department of Oral and Maxillofacial Surgery** - Successfully performing advanced surgical procedures such as dental extractions, treatment of facial trauma, and management of oral cancers.
3. **Department of Prosthodontics** - Excellence in restoring function and aesthetics through comprehensive treatment plans involving crowns, bridges, dentures, and implants.
4. **Department of Pedodontics and Preventive Dentistry** - Implementation of comprehensive preventive care programs, along with effective behaviour management techniques to ensure a positive dental experience for paediatric patients.
5. **Department of Periodontics** – Focuses on the prevention, diagnosis and treatment of periodontal diseases, as well as placement of implants.

6. **Department of Conservative Dentistry and Endodontics** – Specializes in preserving the natural teeth through various restorative and endodontic procedures.

7. **Department of Orthodontics and Dentofacial Orthopaedics** – Aims to correct mal-aligned teeth and jaws in order to improve masticatory function as well as aesthetics.

8. **Department of Public Health Dentistry** – Concerned with extensive community outreach programs to promote oral health awareness and preventive care among the masses.

9. **Department of Oral Pathology and Microbiology** – Excellence in histopathological diagnosis of oral lesions and diseases.

ESTD: 2022

The faculties in AGDC & IGM hospital comprises of prominent specialists who educate students not only through theoretical knowledge but also practical skills, enabling them to succeed in the competitive dentistry industry.

The college places a strong emphasis on a comprehensive approach to education, incorporating chances for research, clinical experience, and community outreach initiatives to foster a feeling of social responsibility in its students. One of the hallmarks of AGDC is its commitment to providing affordable and accessible dental care to the underserved populations of Tripura and neighbouring areas.

Vision

To be an institute of excellence in disseminating dental education, providing state of art care to the patient and encourage advanced research and development at par with global standards.

Mission

- ❖ To inculcate the habits of discipline, dedication and devotion in the minds of the students to foster higher level of learning, critical thinking and evidence based healthcare capabilities in young professionals.
- ❖ Through service, the institution strives to improve the public's oral health through outreach programmes with attention to under-privileged.
- ❖ To provide specialty training and encourage research in all the disciplines of oral health sciences.

Faculties of Agartala Government Dental College & IGM Hospital

Chief Minister's message

Honorable. Prof. Dr. Manik Saha

Chief Minister, Agartala

It is a matter of pride to have the first Government Dental College in Agartala to serve the Dental health of people of Tripura.

There are full time faculties in every Department who are committed to the growth of the students as well as the growth of the institution. The first of its kind, the college aims at providing high quality education aimed at developing skilled Dental Surgeons to serve the people of Tripura.

The State Government has provided modern infrastructure & equipment establishing the Dental College and the Hospital.

The College aims at not just imparting knowledge and skills to the students, but also inculcate in them wisdom, compassion and humanitarian spirit, which is the soul of a health professional.

I extend my best wishes to the Principal, Faculty members and the students for good academic development and for future professional careers.

Best Wishes.

Health Secretary's Message

Shri Gitte Kirankumar Dinkarrao

Health Secretary, Government of Tripura

Warm greetings to every one! Agartala Government Dental College, which is a prestigious health institution of the state is coming out with its own website showcasing the academic courses, schedules, achievements and activities of the college. It is indeed a proud and very happy moment for all of us.

Our aim is to deliver good quality health education aimed at the all-round development of the students both academically and at technological level, which enables one to become a successful dental surgeon. The college is committed to provide the very best opportunities to all our students. The faculty is distinctive in offering a full range of academic programs for the undergraduate students. Our Pre-clinical Labs are constantly being upgraded to train the future clinicians in the most skillful way.

I wish all the best to the students and Faculty members of the Agartala Government Dental College in all their endeavors!

Best Wishes.

Principal's Message

Dr Shalu Rai

Principal, Agartala Government Dental College & IGM Hospital

Education as a whole helps in the growth of perfection innate in an individual and thus paves the way for the achievement of wholesome development and confident personality. It gives me immense pleasure in welcoming you all to Agartala Government Dental College & IGM Hospital. The core inception ideology of this institution is to create a leading dental education institute that provides a transformative education experience to create leaders and innovators and generate new knowledge for society.

Our goal is to provide premium Oral Health Education and Service and shall strive to enable our students to become proficient and caring Health Care practitioners who will meet challenging healthcare needs. At Agartala Government Dental College & IGM Hospital, we focus on developing exceptional dentists, we are ever mindful to also foster inter-disciplinary and multi-disciplinary learning by creating an academic dental career in which education, patient care and research can occur simultaneously. We aspire to train the students to be ethical, sympathetic and caring in their relationships, as well as comfortable with themselves and others in their environment. This institution is established with a vision to achieve global standards in dental education and patient care. The institution has the state-of-art infrastructure which upgrades periodically to keep our students up-beat with the advancement in dentistry. This helps to train them in the most skilful way and treating the dental patient's par with the best in the world. We take pride in providing student-centered, outcome-based education as well as a range of value-added courses. A highly trained and committed team of faculty members is our greatest asset.

Your educational experience in AGDC will prepare you for a career in academics, clinical practice and research that will provide lifelong fulfilment.

Best Wishes.

Boys Hostel

Girls Hostel

Anti-Ragging Policy

Given the directions of the Hon'ble Supreme Court dated 08-05-2009 and the University Grants Commission, the Institute aims to prohibit, prevent, and eliminate the scourge of ragging. We aim to eliminate ragging in all its forms from our Institute, by prohibiting it, preventing its occurrence, and punishing those who indulge in ragging.

WHAT IS RAGGING?

Ragging constitutes one or more of any of the following acts:

1. Any conduct by any student or students whether by words spoken or written or by an act which has the effect of teasing, treating, or handling with rudeness a fresher or any other student.
2. Indulging in rowdy or indiscipline activities by any student or students which causes or is likely to cause annoyance, hardship, physical or psychological harm or to raise fear or apprehension thereof in any fresher or any other student.
3. Asking any student to do any act which is not in the ordinary course, and which has the effect of causing or generating a sense of shame, torment, or embarrassment that adversely affects the physical or psychological/mental/general growth of fresher or any other student.
4. Any act by a senior student that prevents, disrupts, or disturbs the regular academic activity or any other student or a fresher.
5. Exploiting the services of a fresher or any other student for completing the academic tasks assigned to an individual or a group of students.
6. Any act of financial extortion or forceful expenditure burden put on a fresher or any other student by students.

7. Any act of physical abuse including all variants of it: sexual abuse, homosexual assaults, stripping, forcing obscene and lewd acts, gestures, causing bodily harm, or any other danger to health or person.
8. Any act or abuse by spoken words, emails, posts, and public insults which would also include deriving perverted pleasure, vicarious or sadistic thrill from actively or passively participating in the discomfiture to fresher or any other student.

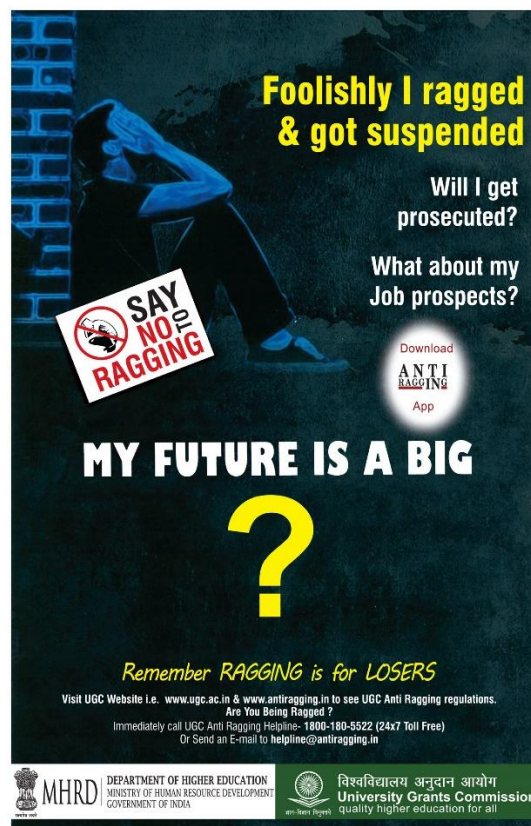

OBJECTIVE

- To Control the Risk of Ragging in AGDC & IGM Hospital.
- To prevent ragging in the AGDC and take proper action against the person who is indulging in it.
- Anti-Ragging Policy - Ragging is strictly banned on the premises of AGDC. If anybody is found indulging in such activities, strict action will be taken irrespective of the extent.

To avoid ragging in all forms from the institution by prohibiting and preventing by law following the provisions of the Regulations of Supreme Court, and UGC.

STEPS TO BE TAKEN IN AN EVENT OF INCIDENCE OF RAGGING

- 1) Contact number of wardens, all members of anti-ragging committee & squads, relevant authorities have been issued on the notice board. In case of any such occurrence, students may contact any of the above.
- 2) Freshers or any other student, whether being a victim or witness, in any incident of ragging are encouraged to report such occurrence. The identity of such informants will be protected & will not be subject to any adverse consequences.
- 3) Those in a hostel can also contact the hostel warden or any other staff members who will in turn direct the case to relevant authorities.
- 4) Freshers who do not report the incidents of ragging either as victims or as witnesses shall also be punished suitably.

PUNISHMENT FOR RAGGING:

- Penalty for ragging (section 4): Whoever directly or indirectly commits, participates in, abets, or propagates ragging within or outside any educational institution shall on conviction be punished with imprisonment for a term which may extend to two years and shall also be liable to a fine that may extend to ten thousand rupees.
- Dismissal of the student (section 5): Any student convicted of an offense under section 4 shall be dismissed from the educational institution and such student shall not be admitted in any other educational institution for five years from the date of order of such dismissal.
- Suspension of the student (section 6): Whenever any student or as the case may be a parent or guardian or a teacher of an educational institution complains in writing of ragging to the head of the educational institution, the head of the educational institution must undertake the complaint, within seven and do the inquiry of the matter mentioned in the complaint. If prima facie, it is found true then suspend the student who is accused

of the offense, and immediately forward the complaint to the police station having jurisdiction over the area in which the educational institution is situated for further action.

- d) Deemed abetment (section 7): If the head of the educational institution fails or neglects to act in the manner specified in section 6 when a complaint of ragging is made, such person shall be deemed to have abetted the offense of ragging and shall on conviction be punished as provided in section 4.

ADMINISTRATIVE ACTION IN THE EVENT OF RAGGING

The institution shall punish a student found to be guilty of ragging after the following procedure:

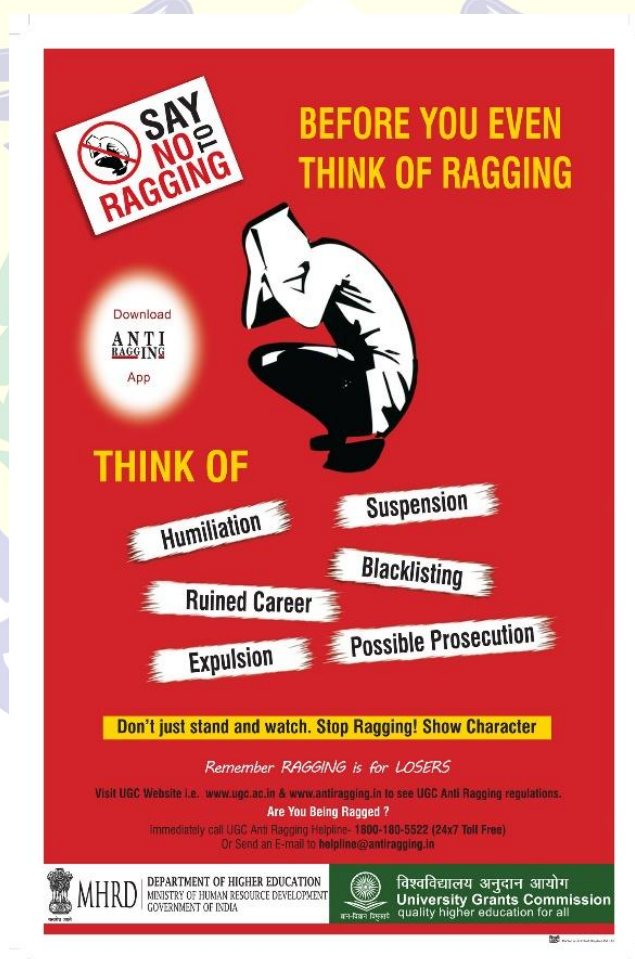

A) Anti-ragging committee of the institution shall take an appropriate decision following the recommendations of the anti-ragging squad.

B) Anti-ragging committee may depend on the nature and gravity of guilt recommend one or more of the following punishments namely:

- i. Suspension from attending classes and academic privileges.
- ii. Withholding or withdrawing scholarship/fellowship & other benefits.
- iii. Debarring from appearing in tests or examinations.
- iv. Withholding results.
- v. Debarring from representing the institution in any regional, national, or international event.
- vi. Suspension or expulsion from the hostel.
- vii. Cancellation of admission.
- viii. Rustication from the institution for a period ranging from 1-4 semesters.
- ix. Expulsion from an institution and consequent debarring from admission to any other institutions for a specified period.

PREVENTION OF RAGGING/ANTI-RAGGING MEASURES:

- 1) Mentor-Mentee system: It should be implemented for 1st B.D.S. students with the help of teachers involved in teaching them. About 5-10 students will be allotted to one teacher. They are to meet the concerned teacher every week to discuss various problems faced by students.
- 2) Orientation program: A joint 'Sensitization' and orientation program and counseling for both freshers and seniors will be addressed by the principal and professional counselors. The inmates of the hostel shall be addressed by the hostel warden.
